

Pershore Education Planning Area Consultation

Throughout 2020/21 all Pershore schools, Multi-Academy Trusts (MATs), the Diocese and the Local Authority collaborated to find solutions to manage the uncertainty and concerns of schools across the area.

In July 2021 all of the schools and Multi-Academy Trusts confirmed their agreement and intentions to consult on the proposed change to a two-tier Education Planning area, to seek changes of age range (where necessary) and in the instance of the Middle Schools amalgamate with the First Schools. We would like your views on the proposed changes, please complete this short questionnaire to give your feedback

By completing our voluntary questionnaire, you agree to your responses being collated, processed and analysed by Worcestershire Children First and Worcestershire County Council. All the information you provide will be treated as private and confidential and held in accordance with General Data Protection Regulation (GDPR); we do not ask for your name and only ask for contact details if you wish to be updated. The results will be analysed for general themes and used for the purposes of planning changes to the Pershore Education Planning Area. Any report published or shared with other organisations or individuals will never contain anything that could identify you.
